REQUEST FOR COUNCIL ACTION

MEETING 11-03-03
DATE:

AGENDA SECTION: CONSENT AGENDA	ORIGINATING DEPT: PUBLIC WORKS	ITEM NO. D-20
ITEM	PARKING METER CHANGES/ 10 BLOCK 1ST AVE SE, 428 3rd AVE SW, 100 BLOCK 6 TH STREET SW	PREPARED BY: A KNAUER <i>mk</i>

Sidewalk work along the east side of the 10 block of 1st Avenue SE (next to the Post Bulletin) has been completed. Four additional meter spaces were gained due to the elimination of a driveway and a loading zone formerly serving Beckley's Office Supply. (Beckley's has relocated.) It is recommended these additional spaces be designated for 90 minute parking meters consistent with the surrounding street parking. The remaining spaces along 1st Avenue were restored as before construction. The Post Bulletin was contacted and is in agreement. The requested Council action also includes a correction in regards to the ordinance section listing all 90 minute meters along 1st Avenue SE between Center Street and 2nd Street SE.

A two hour parking zone is currently posted in front of 428 3rd Ave SW (the former Vine Funeral Home). The property is currently for sale. Since the need for 2 hour parking to serve the funeral home no longer exists staff recommends installing five 10 hour parking meters. This would be consistent with the surrounding street parking. The property owner agrees with the change.

Ken Zubay on behalf the Committee for the Soldiers Field Veterans Memorial has requested two 10-hour meters be removed on the south side of the 100 block of 6th Street SW (just east of 2nd Avenue) to enhance visibility for a monument and directional sign that is to be constructed at this intersection. The curb area would be posted "No Parking".
